Dear Friends of the Arts,

In this digital age, live theatre remains a powerful way to tell a story and connect people, not just to the story but to each other as well. The performers and audience interact with each other to bring about an entire range of emotions. It is about being in community together.

Arts Garden desires to encourage people from all walks of life to flourish through experiences in and exposure to the arts by providing opportunities for people of all experience levels to participate in a theatre production by providing instruction and guidance in live theatre and by giving public performances of theatre productions.

Arts Garden is proud to partner with the City of Roseville to bring quality theatre productions to this community. At this year's Rosefest, we will be performing *Pirates of Penzance, abridged*. There will be three performances at the Frank Rog Amphitheatre in Roseville's Central Park and two at North Heights Church's Roseville Campus. Performances at Central Park have traditionally brought several hundred people to each showing and we anticipate over 100 at the indoor shows.

These shows are free to attend and this is where we need your help. As a corporate or individual sponsor of Arts Garden, you can help this summer's show thrive! We have several different levels of sponsorship packages listed on the back. By partnering with us, you'll be an integral part of producing *Pirates of Penzance, abridged* and keeping live theatre going strong in our neighborhood and helping our community thrive.

Arts Garden is a Minnesota 501(c)(3) nonprofit corporation. Your gift is tax deductible to the extent allowed by law.

Please contact us at the email above by June 9, 2022, to discuss this sponsorship opportunity. We look forward to hearing from you and greatly value your support!
